A new organization

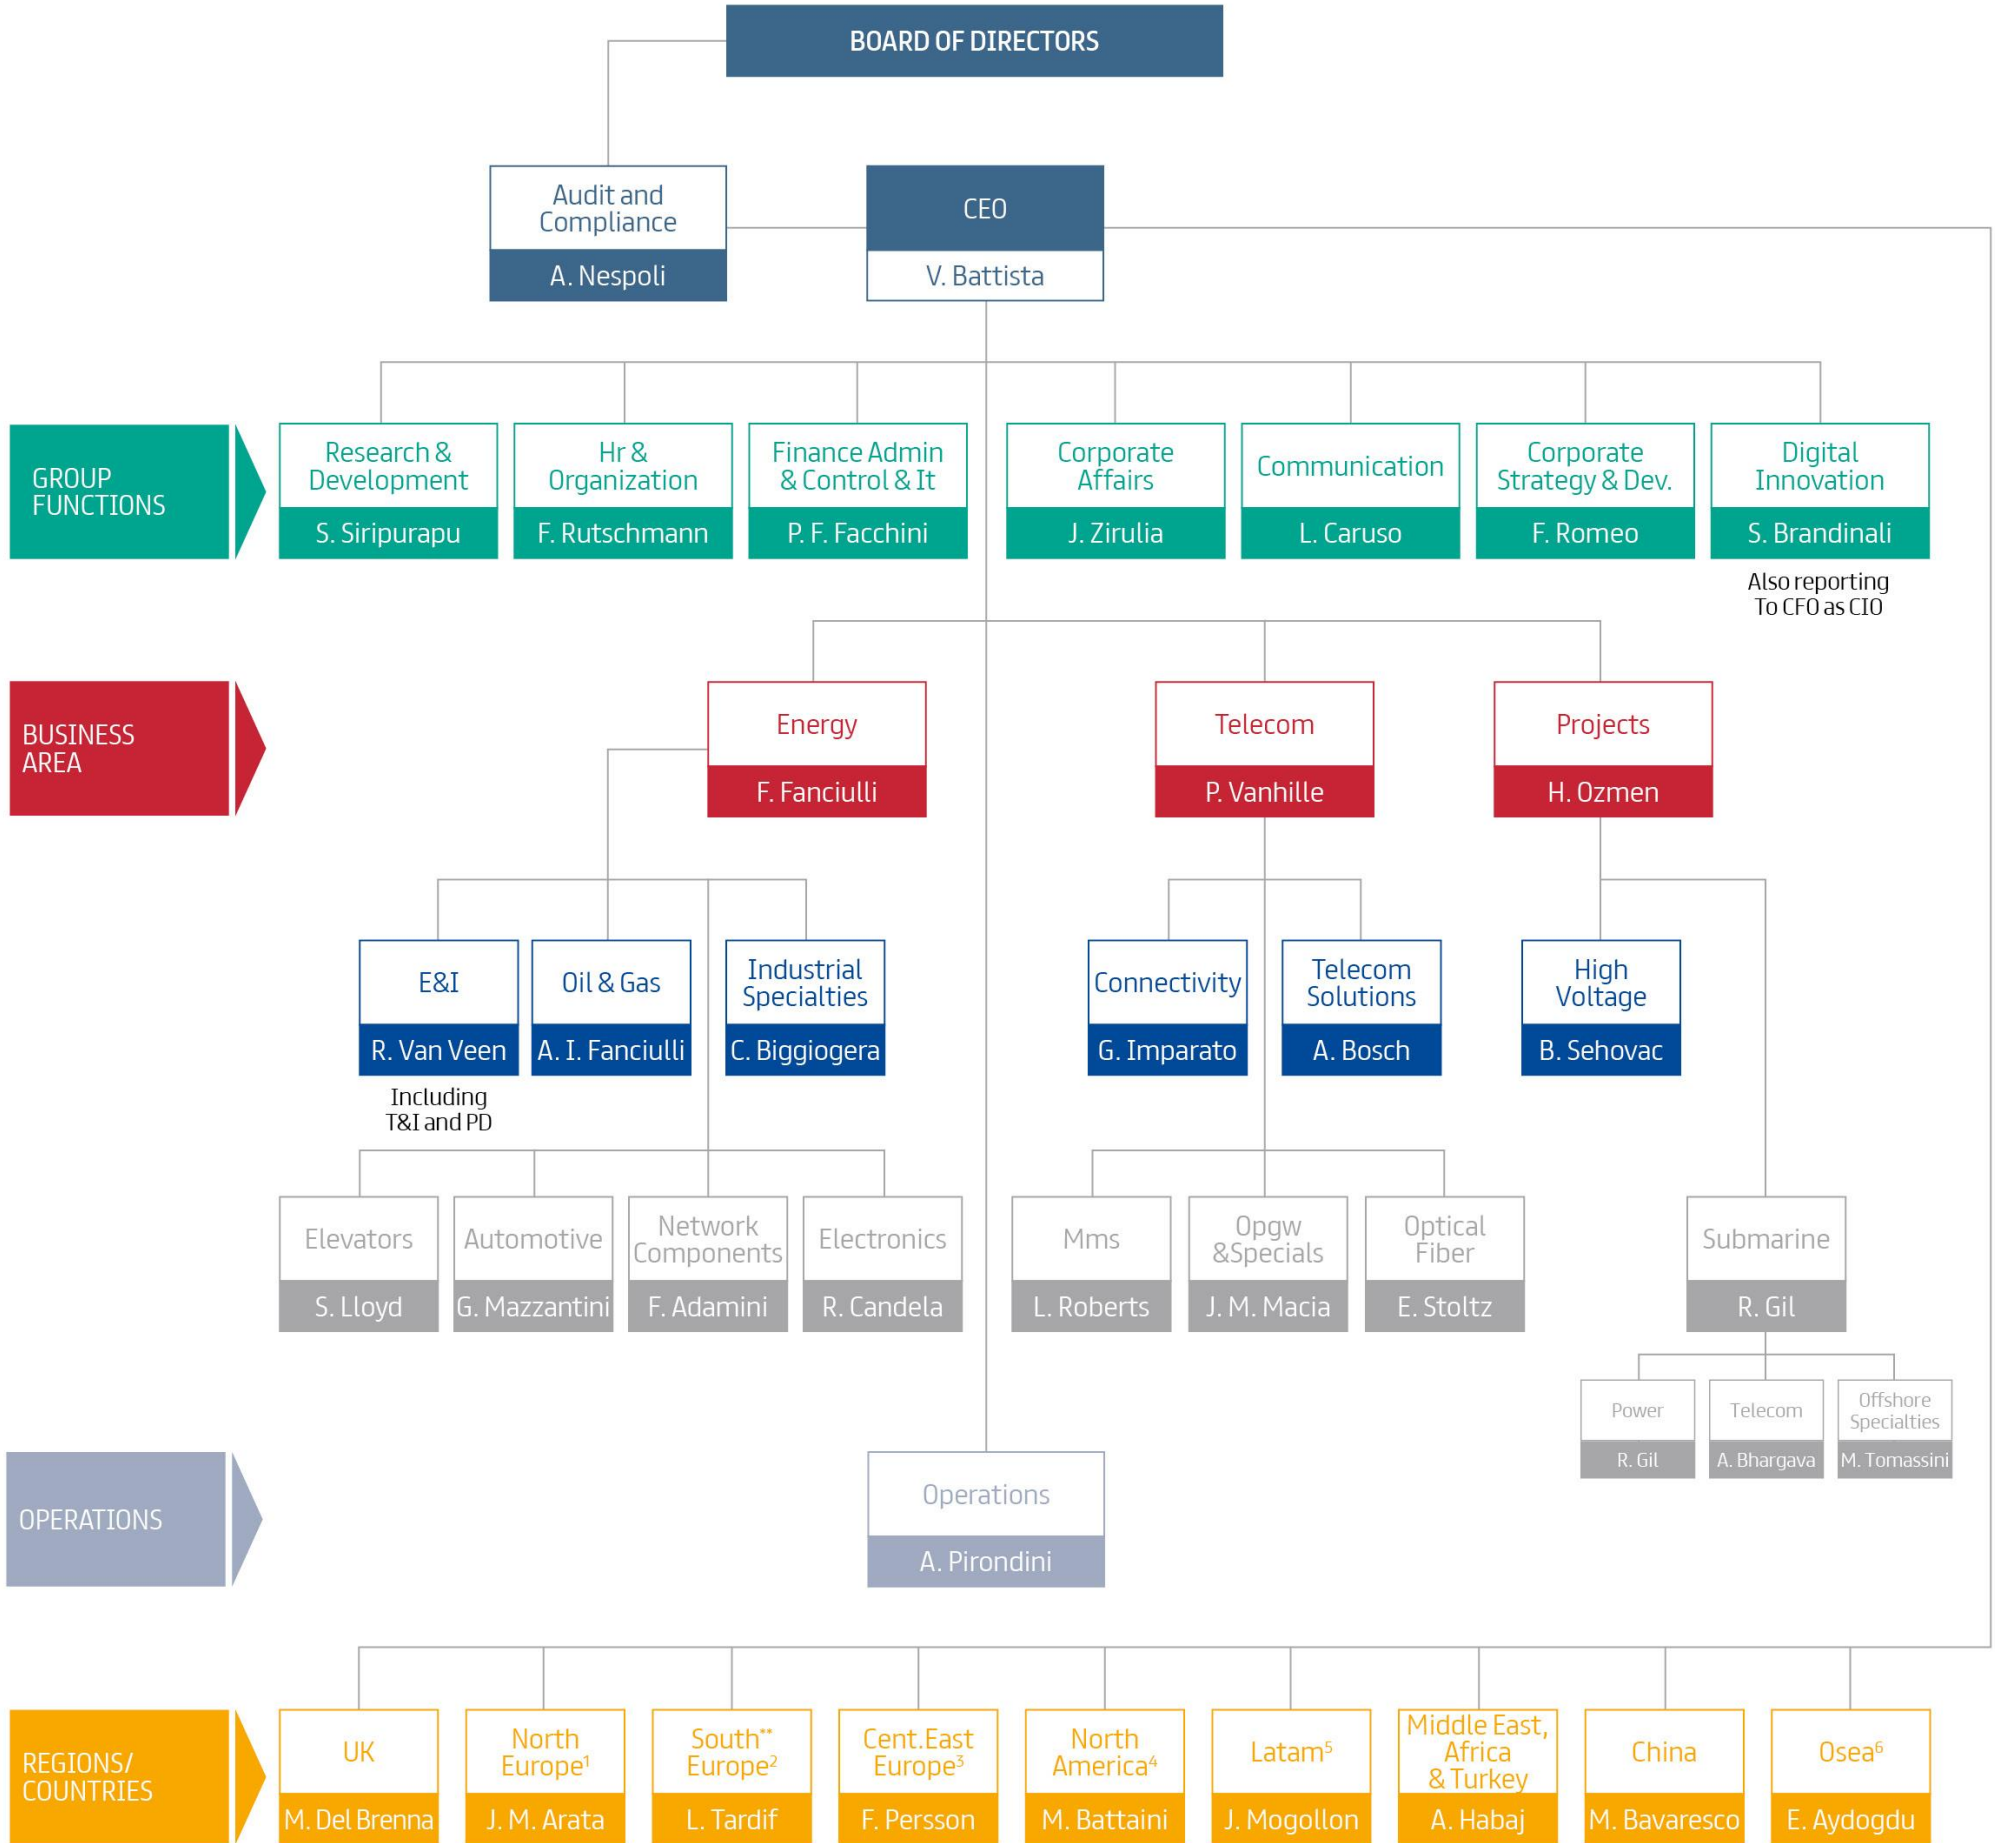

- **Protect our business**
The new organization is designed to reflect our go-to-market strategy and combined product portfolio to prevent revenue loss
- **Keep a focus on value creation**
The combined structure is agile, flexible, and allows us to use capital efficiently and generate strong cash flow from operations
- **Foster accountability**
The new structure is simple and the model is easy to understand. This means clear accountability, with transparent monitoring of our progress towards business goals and expected results
- **Be sensitive to cultural differences**
We are aware of different national and company cultures. We are planning for a smooth, mutually beneficial blending of cultures

A flexible and efficient organization

Our Corporate Purpose

We drive the flow of energy and information everywhere to enable and sustain human achievement everywhere.

General Cable joins Prysmian and Draka, operating as the Group’s third commercial brand.

While the Prysmian Group Corporate Brand embodies global leadership in the cable industry, the commercial brands champion customer proximity.

Our Corporate purpose represents a new way to approach the market: from a cable producer supplying to several industries, to a technology enabler making progress happen.
